REPORT AND RECOMMENDATION

Pursuant to 28 U.S.C. § 636(b), I conducted a plea hearing in this case on March 9, 2006. At the hearing, defendant entered a plea of guilty to Count One and Count Three of the Indictment in exchange for the undertakings made by the government in the written plea agreement. On the basis of the record made at the hearing, I find the defendant is fully capable and competent to enter an informed plea; the plea is made knowingly and with full understanding of each of the rights waived by defendant; the plea is made voluntarily and free from any force, threats, or promises, apart from the promises in the plea agreement; the defendant understands the nature of the charge and penalties provided by law; and the plea has a sufficient basis in fact.

I therefore **RECOMMEND** defendant's plea of guilty to Count One and Count Three of the Indictment be accepted, that the Court adjudicate defendant guilty of the charges set forth in Count One and Count Three of the Indictment, and that the written plea agreement be accepted at the time of sentencing. Defendant's bond was revoked, and I further recommend that defendant remain in custody until sentencing in this matter. Acceptance of the plea, adjudication of guilt, acceptance of the plea agreement, and imposition of sentence are specifically reserved for the district

judge.
